Hello All!

I have attached the draft agenda for our upcoming meeting with DTSC on May 28th. This meeting will be attended by majority managers from each program, as well as (hopefully) DTSC's Deputy Directors and Director (still confirming attendees). I would greatly appreciate your input for any additions or changes to this draft agenda. Particularly, we have a very long list of priority facilities to touch base on, and it would be ideal to narrow this list if possible. I would also be interested in any major initiatives we would like to highlight for DTSC at this time. Off the top of my head, updates on DSW and e-manifest may be two topics to consider.

If possible, please share your input by COB next Tuesday, 4/28.

I have also included the final California Strategy Document. We will use this to brief Jeff and prep talking points for the STAG funding changes portion of the meeting.

Thanks!

Kelly
